Booth Exhibitor Rules

Sign up Process: In order to retain a specific booth assignment and ensure your spot at the desired event, two things must be on file at the Haras Hacienda Office by 5:00 p.m., on Wednesday prior to specific event date:

- a. Signed Application
- b. Payment in Full for the event day

If these two requirements are not met, space availability cannot be ensured. The Haras Hacienda Office will attempt to contact regular vendors if their payment is not received by the deadline, but will not be held responsible if a vendor does not make payment on time and loses their assignment. Assignments will not be reserved after the deadline if payment is not received.

Last Minute Sign Up: If all **Sign Up Process** items are met after the deadline but prior to the event start and there is available space, a space may be assigned to the vendor. No spaces will be assigned after start of the event.

Booth Assignments: Booth spaces are next to the main horse arena, approximately 10'x10', covered and have sides. Electrical is available for an additional \$10. No tables or chairs will be provided. Your booth will be assigned a number, which will be indicated in the event area when you arrive. If the marker is unclear or not present, please contact the Haras Hacienda Staff.

Communications: Haras Hacienda event communications are primarily via Facebook, Instagram and email. We use the phone only as back up. If a vendor does not have access to Facebook, Instagram or email, they should contact Haras Hacienda prior to the event to ensure their space is secured. Please allow 24 hours minimum for an email response. IF a vendor expects to attend and hasn't received confirmation, they should call the office to follow up.

Setup on Event Day. Setup must be completed the day prior to the event starting so as not to frighten the horses or distract the competitors. All vendors are to be respectful of other vendor's space/s. Vendors are to pull up to their space/s carefully, unload and remove their vehicle immediately. **This is an equine training and showing facility, and caution must be taken at all times for the safety of the horses and riders.**

Vendor Parking: Free vendor parking is available in the horse trailer parking area.

Break Down on Event Day: Break down is after the conclusion of the show. If a vendor must leave prior to the conclusion of the show, please be respectful of the competitors and their horses.

Booth Cancellations: Booth cancellations must be made in writing (email notifications will be accepted) and received at least 2 days in advance of the show in order to receive a refund.

Event Cancellation: In the rare occasion that cancellation of an event is contemplated due to inclement weather, Haras Hacienda will email all attending vendors prior to the event and post the possibility on Facebook and Instagram. Every effort will be taken to ensure that vendors are notified with sufficient time to prevent excessive inconvenience. In the event of a cancellation, vendors who paid for their spot WILL receive a credit towards a future event.

Product Descriptions: All vendors must submit a product description. This description will be used to ensure that vendors with like products are not placed next to each other.
